3. After service, remove the cart off of the street. Carts cannot be left in town right-of-way. If you're part of a homeowners association, please consult your HOA on any storage requirements.

What if I'm unable to roll my cart in and out on the service day?

You may subscribe to a push/pull service for your green cart for an additional fee. Please contact Tahoe Truckee Sierra Disposal at 530-583-7800 for details on this service.

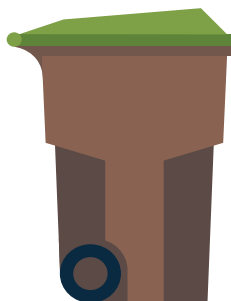

How can I make changes to my service?

Please call TTSD at 530-583-7800, to add or remove carts. You may receive up to three green waste carts for free. If you no longer want to use your green cart, please call TTSD for removal of the cart.
